

Boothbay Region Land Trust

2020 ANNUAL REPORT & MEMBERSHIP LIST

From the Executive Director

Well... that was weird. I'm not really sure how to feel about 2020.

In some ways, it was a year of very little happening. So many plans were cancelled. Restaurants, theaters, and stores closed or limited their capacity. This led to social isolation, which challenged us all. The Covid-19 pandemic forced changes: at work and in our personal lives.

Like everyone, BRLT adapted its work situation to accommodate social distancing. We transitioned employees to work remotely when possible and conducted meetings digitally. These two measures have proven valuable. Work productivity was sustained, if not increased and meeting attendance has been up. As we transition out of social distancing, staff will continue to work remotely when appropriate, and we will utilize newly purchased equipment to continue allowing digital attendance for all future meetings.

Not only did the land trust adjust the function of its work this past year, we adjusted the form as well. We transitioned our environmental programming to be digital or self-guided. We made videos available on our website, highlighting some of our premier preserves. We also sustained a story trail at Oak Point Farm with a monthly rotation. This self-guided walk is so popular that we are exploring options to make it a permanent feature.

This year also impacted our personal lives. For many, the safety and solace of BRLT trails has been vital to their well-being. The value people place on the services BRLT provides was reflected in annual giving. Membership increased and donations kept coming in despite economic challenges and uncertainty.

With your support, BRLT is set to accomplish even more in 2021! We are preserving more land and water resources, providing improved access to preserves, and continuing to deliver quality environmental programming.
