GUIDELINES

Thank you for adhering to the following preserve use guidelines:

- Dogs must stay under voice command or leash, and be leashed when approaching other hikers.
- Pack out all trash including dog waste.
- No overnight camping or fires.
- Do not trespass on neighboring private property.

MEMBERSHIP

Our land conservation and public access rely on the financial support of our members. If you enjoy our nature preserves, please consider becoming a member by making a donation today.

To join us, scan this QR code or visit us at **BBRLT.org**

60 Samoset Road / PO Box 183
Boothbay Harbor, ME 04538
207-633-4818 / brrlt@brrlt.org

The accreditation seal is awarded to land trusts meeting the highest national standards for excellence and conservation permanence.

Trail Guide

COLBY PRESERVE

River Rd
Edgecomb, Maine

Colby Preserve features an easy .6-mile forested loop-trail to the shore of the Damariscotta River. Visitors can access Salt Marsh Cove, an extensive tidal mudflat on the Damariscotta River. Although it was once a bustling commercial site which included a ferry landing, it is now a protected basin. Fishing from shore is possible.

Colby also provides great access for dog walkers looking to let their pups gambol in the river. It is a great place to enjoy early spring ephemerals, wildflowers that bloom on the forest floor early in the season before trees leaf out.
