GUIDELINES

Thank you for adhering to the following preserve use guidelines:

- Dogs must stay under voice command or leash, and be leashed when approaching other hikers.
- Pack out all trash including dog waste.
- No overnight camping or fires.
- Do not trespass on neighboring private property.

MEMBERSHIP

Our land conservation and public access rely on the financial support of our members. If you enjoy our nature preserves, please consider becoming a member by making a donation today.

The accreditation seal is awarded to land trusts meeting the highest national standards for excellence and conservation permanence.

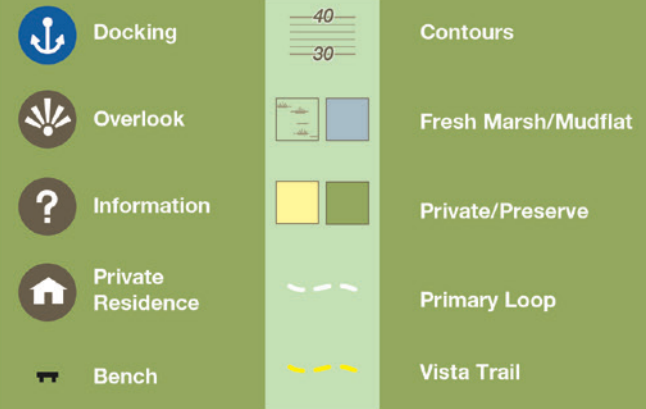

Trail Guide

INDIANTOWN ISLAND PRESERVE

Boothbay, Maine

Located in the Sheepscot River, Indiantown Island Preserve is accessible by boat only at the northwest tip of the island where BRLT maintains a guest mooring. This mooring is available to the public on a first-come basis for periods up to 24-hours. Paddlers may tie up to the float, but other small boaters should utilize the mooring and courtesy dinghy. BRLT's nature preserve encompasses the northern half of the island (the southern half is private). Visitors can enjoy a nearly 1-mile easy loop trail on the northern half, as well as an in-and-out trail to the Southern shore on a privately-owned trail by permission of the landowner. The stunning view from this vista makes for a worthwhile excursion. Please respect private property and stay on the trail when visiting the southern tip.
