## GUIDELINES

*Thank you for adhering to the following preserve use guidelines:*

- Dogs must stay under voice command or leash, and be leashed when approaching other hikers.
- Pack out all trash including dog waste.
- No overnight camping or fires.
- Do not trespass on neighboring private property.

## MEMBERSHIP

Our land conservation and public access rely on the financial support of our members. If you enjoy our nature preserves, please consider becoming a member by making a donation today.

# PENNY LAKE PRESERVE

Townsend Ave  
Boothbay Harbor, Maine

Situated in close proximity to Boothbay Harbor schools, St. Andrews Village retirement community, and the YMCA, Penny Lake Preserve is a conveniently accessed, in-town trail featuring a freshwater wetland with adjoining woodlands and open field.

A .5-mile loop trail between the kiosk and a wooden bridge with bench seats offers an easy, barrier-free hike. Views include an apple orchard, woodland sections, and a resting spot at the bridge overlooking a wetland area that is great for bird watching. Alternately, visitors can choose several options for out-and-back trails, which cross the bridge. The trails are all easy hiking.
