The accreditation seal is awarded to land trusts meeting the highest national standards for excellence and conservation permanence.

## GUIDELINES

*Thank you for adhering to the following preserve use guidelines:*

- Dogs must stay under voice command or leash, and be leashed when approaching other hikers.
- Pack out all trash including dog waste.
- No overnight camping or fires.
- Do not trespass on neighboring private property.

## MEMBERSHIP

Our land conservation and public access rely on the financial support of our members. If you enjoy our nature preserves, please consider becoming a member by making a donation today.

# PINE TREE PRESERVE

Ocean Point Rd (Rt 96)  
Boothbay Harbor, Maine

Pine Tree Preserve is a heavily wooded trail system with 1.5 miles of easy hiking trails. A loop-trail that begins at the kiosk provides an easy walk, approximately 1 mile in length, through mixed forest with views along a small pond that teems with life.

An additional in-and-out trail extends from the far side of the loop trail along an old logging road which gradually rises almost 200 feet from Rt. 96 at the northern edge of the property, providing a high ridgeline overlooking a cemetery and nearby meadow.

	Parking		Contours
