Boothbay Region Land Trust is a nonprofit land conservation organization which seeks to conserve, for the public benefit, the natural habitat, scenic beauty, and working land of the Boothbay Region.

GUIDELINES

Thank you for adhering to the following preserve use guidelines:

- Dogs must be leashed at all times.
- Pack out all trash including dog waste.
- No overnight camping or fires.
- Do not trespass on neighboring private property.
- Respect working waterfront activities.

MEMBERSHIP

Our land conservation and public access rely on the financial support of our members. If you enjoy our nature preserves, please consider becoming a member by making a donation today.

BBRLT.org

The accreditation seal is awarded to land trusts meeting the highest national standards for excellence and conservation permanence.

Trail Guide

PORTER PRESERVE

Porter Point Rd
Boothbay, Maine

Porter Preserve on Barbers Island features 1.1 miles of easy trails through heavily wooded spruce forest on the shoreline of the Sheepscot River. Access to a sheltered cove with a small beach as well as a number of stunning views of the shore make this one of BRLT's most popular trails.

Porter Preserve is also home to Roberts Wharf, a working waterfront that provides public access to the Sheepscot River. Roberts Wharf supports local lobstermen who utilize the pier, float and field space for storing lobster traps and accessing the water. Due to its popularity and heavy visitation, dogs must be leashed at all times.
