

Boothbay Region
Land Trust

Boothbay Region Land Trust is a nonprofit land conservation organization which seeks to conserve, for the public benefit, the natural habitat, scenic beauty, and working land of the Boothbay Region.

GUIDELINES

Thank you for adhering to the following preserve use guidelines:

- Dogs must stay under voice command or leash, and be leashed when approaching other hikers.
- Pack out all trash including dog waste.
- No overnight camping or fires.
- Do not trespass on neighboring private property.
- No hunting.

MEMBERSHIP

Our land conservation and public access rely on the financial support of our members. If you enjoy our nature preserves, please consider becoming a member by making a donation today.

To join us, scan this QR code or visit us at **BBRLT.org**

60 Samoset Road / PO Box 183
Boothbay Harbor, ME 04538

The accreditation seal is awarded to land trusts meeting the highest national standards for excellence and conservation permanence.

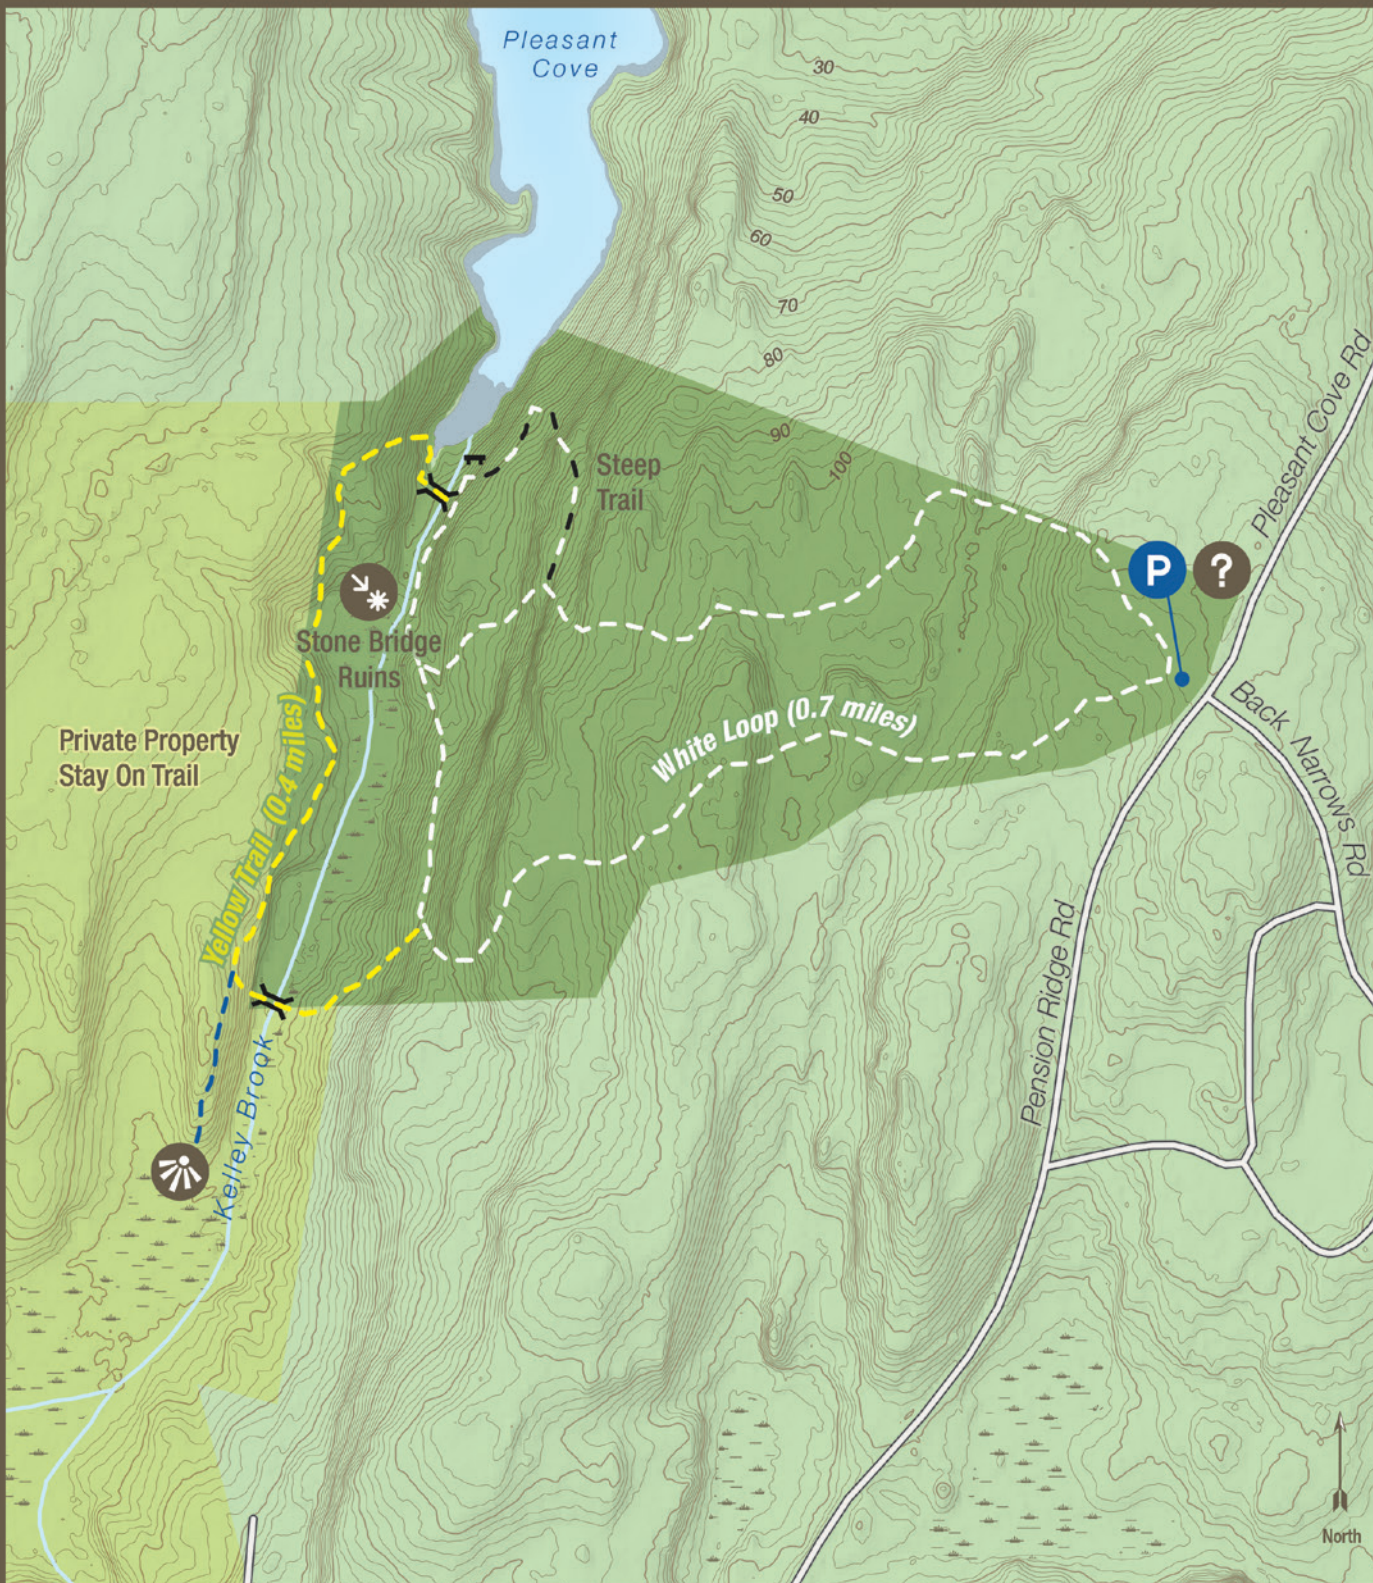

Trail Guide

SAUNDERS PRESERVE

Pleasant Cove Rd
Boothbay, Maine

This 22.5 acre preserve offers a loop trail down a wooded hillside, through a mix of majestic evergreen and hardwood trees. Then the trail continues along Kelly Brook before emptying into Pleasant Cove, which in turn opens into the Damariscotta River. At a fork in the north side trail there is a choice between a gentler longer path or a shorter steeper grade.

There are trails along both banks of the brook. An extension of the westerly route passes an old beaver pond and classic wetland. This is a "moderate" hike.

	Parking		Contours
	Overlook		Mudflats
